

## TECHNICAL COMMUNICATION CERTIFICATE

### Prior Learning Assessment Information Sheet

#### Eligibility Criteria

Candidates must have completed all Technical Communication Certificate Program admissions requirements.

#### How to Apply

Deadline for applying for Prior Learning Assessment (PLA) for any of the eligible courses is one month prior to the course start date. Contact the program coordinator for a Prior Learning Assessment application and for information on course outcomes and goals that will be used in your assessment.

PLA for eligible courses in the Technical Communication Certificate Program consists of completion of an application form for PLA and successful completion of course challenges for the courses being considered for Prior Learning Assessment.

#### Courses Open to PLA

Only the following Technical Communication courses are currently open to PLA. These include:  
PDTW 001 PDTO 001 PDAA 001 PDPM 001

All other courses in the program are NOT currently eligible for PLA at this time.

You may only apply for Prior Learning Assessment for a maximum of three (3) courses in the Technical Communication Certificate program.
